

# Disinfectant

## OCIDE III

Powerful disinfecting is built into this easy to use aerosol disinfectant. Its phenolic based formula is EPA registered effective against Mycobacterium tuberculosis, Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, HIV-1 (AIDS Virus), Herpes Simplex Virus (Type 2), Influenza A2 Virus (Hong Kong), Trichophyton mentagrophytes and Mildew. Being a hospital grade disinfectant, odor-causing germs are also killed. It may be used as a space spray to kill airborne organisms and as a surface disinfectant.
