**Premium Marking Paint For Use In Mines,
Underground Utilities, Construction And Excavation Sites.**

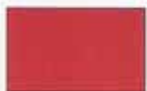

Krylon® Industrial Has A Way To Make Your Mark – So Everyone Can See It!

From Marking Off Measurements
To Designating Dangerous Areas,
Visibility Won't Be A Problem
With Krylon Industrial Mine Marking Paint.

Mine Marking Paint from Krylon® Industrial is a fast-drying, non-clogging formula that comes in an assortment of high-visibility colors. Just hold upright and spray. Darkness and distance are no longer the visibility factors they once were. Designed for overhead markings!

This unique water-based formula penetrates uneven surfaces, providing ultimate surface coverage and maximum visibility. Works on rock, dirt, gravel, asphalt, concrete, and just about any other surface encountered in the field.

Krylon Industrial Mine Marking Paint is ideal for use in mines, underground utilities, construction, and excavation.
